About RSPA Vendor Excellence Awards

An RSPA Award of Excellence is an honor given to a vendor by their resellers and is highly coveted in the retail technology industry. RSPA Awards of Excellence are the only awards in the industry where resellers can actually vote for their favorite vendors in six categories; Hardware Manufacturer, Software Application Developer, Technology Distributor, Payment Processor, Customer/Reseller Support and Consumables/Supplies Provider. The vendor with the best overall score in all categories will receive the 2011 Gold Medallion RSPA Award of Excellence. Only one person from each RSPA member company may vote. The ballot for these awards will be sent electronically to the main contact at each RSPA member company.
